

BASIC MEMBERSHIP

2018 MEMBERSHIP BENEFITS PACKAGE

Basic membership includes all the benefits you might expect from a regional chamber, including the ability to:

- > Grow B2B connections through networking events held throughout the region
- > Influence business-minded Public Policy at a local, regional and Federal level
- > Develop a strong leadership bench through Centurions
- > Connect and retain young professionals through genKC
- > Leverage online Membership Information Center to grow business relationships
- > Support small business through the Small Business Celebration
- > Apply for Workplace Wellness Certification through the HealthyKC Initiative
- > Promote your brand, product or service through the KC Chamber website
- > Go global with support from the Chamber's World Trade Center concierge
- > Save time and money through our Cost-Savings Benefits discount program

Success in business requires connections, advocacy, access, leadership and visibility.

You'll find them all at the **KC Chamber.**

Membership in the **Greater Kansas City Chamber of Commerce** aligns your company with the region's largest and most influential Chamber and immediately strengthens your ability to succeed.
